The Oregon MGMA Networking and Regional Outreach committee would like to invite you to our Portland Managers Time Out Meeting on Thursday, November 30th. The purpose of this committee is to provide outreach to many geographical areas of Oregon. These Manager's Time Out (MTO) meetings are free to attend and open to Practice Managers, Physicians and Healthcare Staff. MTO meetings include educational and networking opportunities for current and future Oregon MGMA members presented in multiple locations. The format for these events includes lite snacks/beverages, educational sessions and networking. MTOs are closed to those who provide products and services to providers with exception to the sponsors of this event.

12:45 PM - 1:45 PM... Total Employee Health & The Positive Impact for Health Systems (Part 1)

The nexus of employee benefits, worker's compensation, and healthcare providers creates an opportunity to recruit and retain employees. Executing on total employee health can also lower the cost of employee benefits and worker's compensation while delivering on your mission of providing exemplary care to your employees and community.

- The healthcare industry is experiencing the highest burnout rate ever. Meeting this challenge is paramount to your organization and the industry's viability.
- What is Total Employee Health and why it is a sound business practice with real return on investment. How to leverage your current organizational procedures and culture to improve retention, recruitment and productivity.
- How does an organization begin to implement total employee health, what should be measured to ensure success and improvement, and what are other organizations doing to care for their employees.
